The Cory L. Richards Memorial Scholarship Program

THE PROGRAM
The Guttmacher Institute has established a scholarship program in memory of Cory L. Richards, a visionary leader in the field of sexual and reproductive health and rights. A passion for mentorship and an unstinting commitment to developing new leadership—both within the Institute and across the field of sexual and reproductive health and rights—were hallmarks of Cory’s nearly four decades at the Institute. In that light, this scholarship seeks to nurture the development of future leaders by providing financial support to excellent students who are seeking advanced degrees in the disciplines of public health or public policy, and who plan to devote their careers to advancing public policy related to sexual and reproductive health and rights. Scholarships are offered each year for full-time graduate study at an accredited institution in the United States.

This scholarship program is administered by Scholarship Management Services®, a division of Scholarship America®. Scholarship Management Services is the nation’s largest designer and manager of scholarship and tuition reimbursement programs for corporations, foundations, associations and individuals. Awards are granted without regard to race, color, creed, religion, sexual orientation, age, gender, disability or national origin.

Awards are for graduate study only.

APPLICATION
Interested students must complete the application in English and mail it along with a current, complete transcript of grades and any other required documents to Scholarship Management Services postmarked no later than March 27. Grade reports are not acceptable. Online transcripts must display student name, school name, grade and credit hours earned for each course, and term in which each course was taken. Applicants will receive acknowledgment of receipt of their application. If an acknowledgment card is not received within four weeks, applicants may call Scholarship Management Services to verify that the application has been received.

Due to differences in educational systems, applicants from countries other than the U.S. and Canada must provide the following materials:

- English translations for all non-English documents
- Clear photocopies of their academic record (transcript of grades) for all higher education course work completed

Applicants are responsible for gathering and submitting all necessary information. Instructions for U.S. and Canadian students to assist in completing the Financial Data section of the application are found below. Applications are evaluated on the information supplied; therefore, answer all questions as completely as possible. Incomplete applications will not be evaluated. All information received is considered confidential and is reviewed only by Scholarship Management Services and the Guttmacher Institute.
SELECTION OF RECIPIENTS
Scholarship recipients are selected on the basis of academic record, demonstrated leadership and participation in school and community activities, honors, work experience, personal essay, and an outside recommendation. In keeping with the Institute’s and Cory’s commitment to equalizing opportunity, priority will be given to those students with a demonstrated financial need.

Selection of the recipient is made by Guttmacher Institute. All applicants agree to accept the decision as final.

Applicants will be notified in late-May. Not all applicants to the program will be selected as recipients. Nonrecipients may reapply to the program each year they meet eligibility requirements. Past recipients may not reapply.

PAYMENT OF SCHOLARSHIPS
Scholarship Management Services processes scholarship payments on behalf of Guttmacher Institute. Payment is made in equal installments on August 15 and December 30. Checks are mailed to the recipient's home address and are made payable to the school for the student.

OBLIGATIONS
Recipients have no financial obligation to the Guttmacher Institute. They are, however, expected to complete a short essay at the end of the academic year describing how the scholarship has helped them pursue their goal of working in the field of sexual and reproductive health. They will also be invited to spend one full day each in the Institute’s Washington, DC, and New York offices to meet the Guttmacher Public Policy team and Board of Directors; the Institute will cover the full cost of these visits.

Applicants are required to notify Scholarship Management Services of any changes in address, school enrollment, or other relevant information and to send a complete transcript when requested.

REVISIONS
The Guttmacher Institute reserves the right to review the conditions and procedures of this scholarship program and to make changes at any time including termination of the program.
