

# **U.S. Foreign Aid Helps Women and Families and Saves Lives**

**\$607.5 million in U.S. foreign assistance for family planning**

- ➔ means 25 million women and couples receive contraceptive services**
- ➔ thereby helping them avert 7.4 million unintended pregnancies**
- ➔ which prevents 3.1 million induced abortions (most of them unsafe) and saves the lives of 15,000 women**
