

IN MANY AREAS OF THE COUNTRY

Planned Parenthood is critical to women's reproductive health.

491 U.S. counties
have Planned Parenthood
health centers

332 counties
Planned Parenthood sites
serve AT LEAST HALF of all
safety-net family planning
center clients

**103 of these
counties**
Planned Parenthood
sites are THE ONLY
safety-net family
planning centers

30%
of all women in
need of publicly
supported
contraceptive
services live
in these 332
counties
