

**APPENDIX TABLE 1. Countries for which the unmet need for contraception has been estimated since 1990, and year and type of survey used, by region**

Region and country	Year	Survey type	Region and country	Year	Survey type
<b>Asia</b>			<b>Latin America/Caribbean</b>		
Bangladesh	1997	DHS	Bolivia	1998	DHS
India	1993	DHS	Brazil	1996	DHS
Indonesia	1997	DHS	Colombia	1995	DHS
Nepal	1996	DHS	Dominican Republic	1996	DHS
Pakistan	1991	DHS	Guatemala	1999	DHS
Philippines	1998	DHS	Haiti	1994	DHS
			Mexico	1995	CONAPO
			Nicaragua	1998	DHS
			Paraguay	1998	CDC
			Peru	1996	DHS
<b>Sub-Saharan Africa</b>			<b>North Africa/Middle East</b>		
Benin	1996	DHS	Egypt	1995	DHS
Burkina Faso	1999	DHS	Morocco	1992	DHS
Cameroon	1998	DHS	Turkey	1998	DHS
Central African Republic	1994	DHS			
Chad	1997	DHS	<b>Central Asia</b>		
Comoros	1996	DHS	Kazakhstan	1995	DHS
Côte d'Ivoire	1994	DHS	Kyrgyz Republic	1997	DHS
Ghana	1993	DHS	Uzbekistan	1996	DHS
Kenya	1993	DHS			
Madagascar	1997	DHS	<b>Eastern Europe/Russia</b>		
Malawi	1992	DHS	Bulgaria	1997–1998	FFS
Mali	1996	DHS	Czech Republic	1993	CDC
Mozambique	1997	DHS	Georgia	1999	CDC
Namibia	1992	DHS	Hungary	1992–1993	FFS
Niger	1998	DHS	Moldova	1997	CDC
Nigeria	1990	DHS	Romania	1999	CDC
Rwanda	1992	DHS	Russia	1999	CDC
Senegal	1993	DHS	Ukraine	1999	CDC
Tanzania	1996	DHS			
Togo	1998	DHS	<b>Baltic republics</b>		
Uganda	1995	DHS	Latvia	1995	FFS
Zambia	1996	DHS	Lithuania	1994–1995	FFS
Zimbabwe	1994	DHS			

Notes: DHS=Demographic and Health Survey. CONAPO=Consejo Nacional de Población, Mexico. CDC=U.S. Centers for Disease Control and Prevention, Division of Reproductive Health. FFS=Fertility and Family Survey, UN Economic Commission for Europe. Source: Klijzing E, Are there unmet family planning needs in Europe? *Family Planning Perspectives*, 2002, 32(2):74–88.
