

Table 3. Percentage distribution of obstetrics and gynecology residency programs, by percentage of residents who receive abortion training, according to type of program (N=164)

% of residents trained	All programs	Public	Private, non-church	Private, church	Military
100	26	28	27	19	25
50–99	34	46	35	6	0
1–49	26	17	31	19	25
0	14	9	8	56	50
Total	100	100	100	100	100

Note: Includes training provided by the program or at another facility.
