<td><strong>Side partner intentions (mean)</strong></td>
<td>1.31 (0.69)†,‡</td>
<td>2.22 (1.18)</td>
<td>2.28 (1.22)</td>
</tr>
</tbody>
</table>

*p<.05 for overall comparisons across groups. **p<.01 for overall comparisons across groups. †Significantly different from main-and-casual group at p<.05. ‡Significantly different from casual-only group at p<.05. §Defined as more than two months for main partners and more than one month for casual partners. Notes: Numbers in parentheses are standard deviations. For scaled items, higher scores indicate greater intentions. For details about scale ranges and scoring, see page 142.
