

TABLE 4. Mean number of minutes providers spent treating incomplete abortions and providing legal abortions, by type of facility and provider

Type of facility/provider	Incomplete abortion	Legal abortion
Private specialized	197	243
Doctors	52	53
Nurses/auxiliary nurses	88	100
Other	56	89
Secondary	347	804
Doctors	85	155
Nurses/auxiliary nurses	121	389
Other	141	259
Tertiary	452	950
Doctors	77	145
Nurses/auxiliary nurses	190	502
Other	184	303

Notes: Estimates include all time spent treating patients during the entire course of treatment. Sum of minutes for individual provider types may not equal total because of rounding.
