

## SARAH KEOGH

94 Saint Marks Place, New York, NY 10009 • 609-903-4582 • [skeogh@guttmacher.org](mailto:skeogh@guttmacher.org)

### EDUCATION

---

#### **London School of Hygiene and Tropical Medicine, London, UK**

Ph.D. Demography, 2010

*Scholarship:* Economic and Social Research Council, UK

*Thesis:* “Postpartum reproductive behavior in Northern Tanzania: impacts of antenatal HIV diagnosis and contraceptive counseling, and opportunities for integrating FP into routine antenatal HIV counseling”

#### **London School of Hygiene and Tropical Medicine, London, UK**

M.Sc. Demography and Health, 2006

*Scholarship:* Economic and Social Research Council, UK

#### **University of Oxford, Oxford, UK**

B.A. Human Sciences, 2005

*Honors Thesis:* “Female genital mutilation: biological, social and cultural perspectives”

### EMPLOYMENT

---

#### **Guttmacher Institute, New York, USA**

**June 2012 - Present**

*Senior Research Scientist*

Principal investigator on international research projects in Africa and Latin America; analyzing data, writing papers; developing research proposals; managing budgets and timelines; supervising junior staff; presenting research at conferences and other forums.

#### **University College London, Department of Anthropology, London, UK**

**2011 - 2012**

*ESRC Postdoctoral Fellow*

Researched anthropological perspectives on sexual and reproductive behavior, using data from doctoral work in Tanzania. Taught graduate and undergraduate courses including Statistics, Human Ecology, “Reproduction, sex and fertility”. Organized a weekly Reproduction Research Group.

#### **Marie Stopes International, London, UK**

**2011 - 2012**

*Consultant, Research and Metrics team*

Consulted on reproductive health research projects in Kenya and Vietnam; involved in designed studies, conducting data analysis, writing papers.

#### **Guttmacher Institute, New York, USA**

**May - July 2011**

*ESRC Overseas Institutional Fellow*

Part of Postdoctoral Fellowship; worked on an international project with Guttmacher staff; organized weekly Mixed Methods Research Discussion Group.

#### **London School of Hygiene and Tropical Medicine, London, UK**

**Jan - April 2011**

*Research Fellow*

UK Department for International Development (DFID) Research Programme Consortium on HIV care and treatment ‘Evidence for Action’. Performed longitudinal data analysis and mathematical modeling on HIV care and treatment uptake and retention in Tanzania using national dataset; contributed to papers.

#### **University of Oxford, Oxford, UK**

**2009 - 2010**

*Tutor in Demography*

Taught undergraduate courses in Comparative Demographics (including Technical Demography, Population Studies)

London School of Hygiene and Tropical Medicine, London, UK

2006 - 2010

Tutor

Taught graduate courses in Statistics, Epidemiology, Basic demography, Advanced demographic methods, Basic maths, Research design and analysis.

University of California at Berkeley, Berkeley, CA, USA

July - Oct 2008

Intern, Bixby Center for Population, Health and Sustainability

Overseas Institutional Visit as part of ESRC Studentship; worked Prof. Malcolm Potts and Dr. Ndola Prata on various reproductive health-focused research projects.

Somi G, SC Keogh, et al., "Low mortality risk but high loss to follow-up amongst patients in the Tanzanian national HIV Care and Treatment Programme". Poster presented at the **6<sup>th</sup> IAS Conference on HIV Pathogenesis, Treatment and Prevention**, Rome, Italy, 17-20 July 2011

Keogh SC, M Urassa, et al., "The impact of antenatal HIV diagnosis on postpartum reproductive behaviour in Northern Tanzania". Paper presented at the **Annual Conference of the Population Association of America**, Washington DC, USA, 31 March-2 April 2011

Keogh SC, M Urassa, et al., "The effect of HIV diagnosis on reproductive behaviour in Northern Tanzania". Paper presented at the **Annual Conference of the British Society for Population Studies**, University of Exeter, UK, 13-15 September 2010

Keogh SC, M Urassa, et al., "Low take-up of HIV prevention and treatment services following counselling and testing among pregnant women in Northern Tanzania". Poster presented at **XVIII International AIDS Conference**, Vienna, Austria, 18-23 July 2010

Keogh SC, E Slaymaker, et al., "Reproductive and sexual behaviour and HIV status in pregnant women in Mwanza region, Tanzania". Paper presented at the **XXVI IUSSP International Population Conference**, Marrakech, Morocco, 27 Sept - 2 Oct 2009

## **AWARDS AND GRANTS**

---

### **Economic and Social Research Council, UK**

Postdoctoral Fellowship 2011 - 2012

Full-time PhD studentship 2006 - 2010

Full-time MSc studentship 2005 - 2006

### **World Health Organization, Geneva, Switzerland**

Research grant of \$40,000 for doctoral research study, 2009

## **MEMBERSHIP OF PROFESSIONAL ORGANIZATIONS**

---

- Population Association of America (PAA)
- International Union for the Scientific Study of Population (IUSSP)
- Union for African Population Studies (UAPS)
- International AIDS Society (IAS)

## **ADDITIONAL SKILLS**

---

- Software: proficient in STATA, NVIVO, MS Office, Reference Manager, Endnote
- Languages: fluent in French; advanced written and spoken Spanish
